

Pour valider cette ceinture Jaune , mes objectifs sont :	Pour m'entraîner :
Je connais mes tables de multiplication de 3, 4, 6 et 9	n°1
Je sais multiplier des entiers par 10, par 100, par 1 000	n°2
Je sais poser des additions d'entiers avec retenues	n°3
Je sais poser des soustractions d'entiers avec retenues	n°4
Et en plus... je maîtrise toujours les compétences des ceintures précédentes !
